1. Today is 8/11, a good reminder for everyone to call 811 a few days before digging. It doesn't matter if your project is something small like planting a shrub, installing fence posts or putting in a mailbox, or if you are working on a larger project like grading, trenching or directional drilling, you should always call 811 first. (Link to [www.Georgia811.com](http://www.Georgia811.com))
2. Today on 8/11 Georgia 811 wants to remind you that safe digging is no accident. Calling 811 before you dig saves lives, prevents injury and service interruptions, keeps you from having to pay for costly repairs or fines. (Link to [www.Georgia811.com](http://www.Georgia811.com))
3. Not calling before you dig is the biggest cause of damages to underground utility lines, with the greatest cost being your safety and the safety of those around you. (Link to [www.Georgia811.com](http://www.Georgia811.com))
4. **(For Aug. 10 posting)** Tune in tomorrow morning to watch for a group of damage prevention stakeholders wearing Call 811 T-shirts in the crowd at the NBC Today Show and CBS Early Show. They'll be waking up at 4 a.m. to jockey for the best position.
5. **(For Aug. 11 posting at 7 a.m.)** Tune in now to watch a group of damage prevention stakeholders promoting 811 on 8/11 in the crowd at both the NBC Today Show and CBS Early Show. Remember to call 811 before you dig, today and every day.
