

--- For Immediate Release ---
PRIS code update to take effect January 1, 2009

Duluth, GA December 29, 2008 - Beginning January 1, 2009 the following PRIS code updates will become effective. Please take the steps necessary to be ready by this date. These enhancements are being made in order to better communicate the realities of what is happening in the field and to be in compliance with the Georgia Utilities Facilities Protection Act (GUFPA). The Georgia Utilities Coordinating Council (GUCC) worked with the Georgia Public Service Commission and the Utilities Protection Center by bringing a comprehensive team of statewide stakeholders to accomplish these enhancements.

Following is a detailed list of the codes and the changes that are occurring. Please be aware that new codes have been added, existing codes have been deleted and/or existing codes have had definition changes.
