## Official Georgia 811 Business Notification

### **Georgia 811 Phone Server Upgrades Scheduled**

Duluth, GA – October 26, 2010 – Georgia 811 will be performing upgrades to its phone servers Friday, October 29, 2010 from 7:00 p.m. until 12:00 a.m. During this time, Georgia 811 will be unable to accept phone calls and PRIS will be inaccessible by phone. However, EDEN web ticket entry and PRIS online will still be available.

In the event of a damage or emergency please contact the affected utility directly during this time, and then call Georgia 811 once the maintenance has been completed.

Thank you in advance for your cooperation.
